**Young Christian Climate Network** are organising a relay pilgrimage from the G7 summit here to COP26 in Glasgow. **Mary's Meals.** This parish has always generously supported the work of the charity Mary's Meals. The charity aims to provide a free meal for every child in school every school day around the world, believing that helping children to stay in school and gain an education can lift communities out of poverty. If you do not yet know about this charity, please visit their website [www.marysmeals.org.uk](http://www.marysmeals.org.uk) or ask us. We would like to form a group to help Mary's Meals in prayer, fundraising, awareness-raising or using any skills/knowledge which a potential group may have. Please contact Fr Philip or Anthea Smith if you would be interested in helping and coming to an initial socially distanced meeting. Thank you.

### **Day for Life: Saturday/Sunday 20<sup>th</sup> June: Caring for the sick and dying; the respect owed to life.**

The day presents an opportunity to pray for the gift of life from conception to natural death, and to raise awareness of the precious gift of life. The fragility of life and the reality of death has been brought into sharp focus during the Covid pandemic. Yet in the face of such suffering and death, we have also witnessed the extraordinary dedication of healthcare professionals and their loving care for the sick and dying. We too have each made sacrifices for the greater good during this pandemic. These acts of heroic love are a powerful testimony to the fundamental dignity of the human person and to the respect owed to each life, particularly through proper care and love in the last moments of life. Against this backdrop of loving care, we are now faced with a very real threat of the legislation of 'assisted suicide in our country. 'Day for life' adds authenticity to our witness to the dignity of life. **The retiring collection assists organisations who raise awareness and engage in parliamentary work & pastoral outreach.**
