Parish Building Works:

Hayle: the new Facilities building is now nearing completion-this has a sacristy, meeting room with kitchen, and an internal disability compliant toilet.
St. Ives: the lightening conductor & East Rose window restoration is now complete. Health and Safety electrical work & asbestos removal is yet to come.
Penzance: Health and Safety and fire safety work to carry out in compliance of insurance & diocesan requirements. Works also to include internal toilets & remaking of old school dining room & unused kitchen vacated in 1979. Non-fire compliance includes replacement of all downstairs lath & plaster ceilings & the installation of fire alarm system to protect the whole building. The church in Penzance is Grade II Listed and therefore nothing major can be done without advice & permission from Historic Churches and other associated bodies. You will notice a Planning notice to this effect on the main door of the church and in the Cornishman. As next year is our 175th anniversary we are including designs for 2 more stained glass windows to mark the occasion as took place for the 150th in 1993. This application also includes the addition of a more suitable Reredos panelling around the existing Lady Chapel shrine granite votive candle stand. I know some parishioners have asked for this area to be enhanced with a more dignified backdrop to Our Lady's statue. All the above exciting works completed and in hand, will be available to see in more detail at the usual parish AGM on Thursday 27th July at 7pm.

No Friday Mass in Hayle on 30th June as there is a Nuptial Mass in St Ives at 1.00 p.m.

The Juan Ferrer shipwreck disaster happened on October 23rd 1963 on rocks at Boscawen Point. Only four of the 15 survived, and most bodies were shipped back to Spain. Four that were found afterwards were buried in the Catholic section of Penzance cemetery in an unmarked grave. Last year two RNLI volunteers raised enough money to pay for a headstone. I shall be there to bless this on Saturday 8 July at 11 a.m. The only surviving member will be present with other relatives of the crew. Anyone is welcome at the simple ceremony on the day.

Fatima: The National Pilgrim Virgin Statue of Our Lady of Fatima, and Relics of Saints Jacinta and Francisco, are travelling around the country visiting almost every Cathedral, as well as some abbeys and churches, in this centenary year of our Lady's apparitions between May and October 1917. **The visit to our Plymouth Cathedral is from 24/25th June.** This will include Holy Mass, presided over by Bishop Mark, and the Act of Consecration to the Immaculate Heart of Mary, that was made by Cardinal Nichols in Westminster Cathedral on 18th Feb. as well as the crowning of the Statue. People will be able to venerate the relics of the saints, and there will be enrolment in the Brown Scapular, Fatima Devotions including the Rosary, Fatima talks and also a DVD film of the Little Shepherds. <http://www.worldfatima-englandwales.org.uk/visitation.html> There is a poster in our churches about this visit.
