

**CHURCHES TOGETHER  
IN PENZANCE AREA**

### **PENZANCE BREAKFAST PROJECT**

**The Breakfast Project, based at the Breadline Centre,  
provides a cooked breakfast in a warm dry place  
as well as access to advice and support  
from St. Petroc's staff.**

**To keep the project running we need to increase our funding.  
Regular donations from Churches and individuals are very welcome  
and help towards the cost of food.  
We also need more volunteers.**

**If you would like to help with a donation or as a volunteer  
please contact me for more information.**
